Press Of Alabama Pledges All To Win War; Elects Officers

Montgomery, Jan. 31.—The Alabama Press Association pledged all-out support of the war effort yesterday "to secure unconditional surrender of our enemies in the shortest possible time."

The press group concluded its 73rd annual session with the war effort resolution dedicating its 107 members to give the measure full support.

Ben A. Green, association president, reported that a survey of 15 Alabama daily newspapers showed 304 regular employees were in military service.

"Although some of these probably could have obtained deferment by reason of working in an essential industry, almost all are volunteers," Green pointed out. He said a survey of weekly papers also was being made.

The association was addressed by Gov. Chauncey Sparks, who said that editorial criticism of his administration.

Sparks, who was elected "the first honorary non-paying member" of the association, told the editors last night that all of his policies would be within the structure of the Democratic party.

Green, managing editor of The Tuscaloosa News, was elected president of the association Friday. Green has presided at the convention sessions and was serving as acting president in the absence of Lieut. (jg.) Charles G. Dobbins, publisher of the Anniston Times, who entered the Navy last October.

The association named Dobbins to the post of president while two other members now in the armed forces were elected honorary officers. They were Marcy B. Darnell, Florence Herald, first vice-president, and Neil C. Davis, Lee County Bulletin, second vice-president.

Other officers chosen for the year 1945 were: P. W. Campbell, Scottsboro, first vice-president; G. A. Carleton, Grove Hill, second vice-president; Doyle L. Buckles was re-elected Field Manager and Secretary-Treasurer.

Miss Betty Jean Bullard, of Camp Rucker, spent the week-end with her parents, Mr. and Mrs. William Bullard.

ENTERPRISE FACTORY DAMAGED BY FIRE

Enterprise, Jan. 30.—The Sessions peanut butter factory, reputed to be one of the largest of its kind, was heavily damaged by fire today.

Fire Chief Horace Ellis called Ozark for aid. The Ozark company as well as Camp Rucker, Elba and other Fire Companies, responded with men and equipment.

The fire in the block-long building was noticed at 5 a. m. and was still smoldering at 1 o'clock this afternoon. Damages, though heavy, were unestimated today.

Red Cross Sets War Fund Needs At \$125,000,000 For '45

Washington, D. C.—With a goal of \$125,000,000 for its 1945 War Fund, the American Red Cross will embark upon the biggest campaign in its history on March 1.

Millions of volunteers will be recruited to assist in the nationwide appeal, which will be conducted under the direction of Walter S. Gifford, president of American Telephone and Telegraph Company, who is national chairman of the 1945 Red Cross War Fund.

In announcing the goal, set by the Central Committee of the American Red Cross, Chairman Norman H. Davis said the figure represented the minimum requirements of the Red Cross if the organization is to meet its war-time obligations.

"The goal," Chairman Davis said, "is based upon realistic estimates which careful study shows are actually needed to meet the heavy war-time obligations and responsibilities of the Red Cross. This sum covers local, national and international war-time needs of the organization for one year, barring unforeseen emergencies or disasters."

Of the total goal, \$45,000,000 is the sum required by Red Cross chapters to finance their indispensable needs and their ever-increasing local work on behalf of families of men in the service. The remainder, or \$80,000,000, will go to the national organization which, however, requires one hundred million dollars to finance its national and international program. The difference will be met by a balance of \$20,000,000 from the first War Fund of 1942 which will be applied to the 1943 budget.

Chairman Davis emphasized that more than 65 per cent of the amount required by the national organization has been budgeted for Red Cross services to the armed forces.

With the approval of President Roosevelt, March will be observed as Red Cross Month in every city, town and hamlet covered by the 3,750 Red Cross chapters for this country, however, farmers should give more attention to growing sweet potatoes this year. Sweet potatoes can be eaten and fed to livestock.

The incentive payment rates listed above will be made only on acreage planted between 90 per cent and 110 per cent of Farm Goals. As stated above no information is available relative to farm goals of sweet potatoes and the same is true for dried peas. We do, however, know about our peanut farm goals. This goal is 10 acres of peanuts per plot.

An example of incentive payment for peanuts is as follows: A farm has a 10-acre farm war goal of peanuts. To avoid a AAA payment penalty he must harvest 90 per cent of his 10 acres which is 9.0 acres. If he harvests 10 acres of peanuts which is 100 per cent of his farm war goal, he will receive a \$30 incentive payment. If he harvests 11 acres he will receive a \$60 incentive payment. This is the maximum incentive payment he will get due to the fact that 11 acres, in the example used, is 110 per cent of his war farm goal. A formula for figuring this incentive peanut payment is as follows: 110 per cent of farm war goal minus 90 per cent of farm war goal equal acre for which the \$30 incentive payment will apply.

Farmers in Coffee County are reminded again that farm goals for peanuts are

ELBA TIGERS ADD TWO MORE WINS TO RECORD

Elba's invincible basketball team added two more games to their win column during the past week. Last Friday afternoon the Tigers, showing fine form, scored their second triumph of the season over Ozark High in a well-played game, at Elba Armory. The score was 27 to 12. A feature of the contest was Elba's strong defense and fast floor work.

Opp was vanquished on Tuesday night in a hard-fought game by a score of 27 to 23. Elba is still undefeated. Elba fans are predicting an unmarred record this season.

Troy will play here Friday afternoon and Kingston will play in Elba the following Friday afternoon.

Canned Goods To Be Rationed Beginning March 1

Washington, Feb. 2.—The office of Price Administration announced today that rationing of canned and frozen fruits and vegetables and dried fruits will start March 1.

Grocery store sale of these commodities will stop at midnight, Feb. 20, and will not be resumed until the course. Take First Aid rationing date. This "freeze" was set by officials for the purpose of allowing grocers to stock up, to arrange and mark merchandise, and undertake other preparations for the complicated "point rationing" system.

Beginning Feb. 22 and stretching over six days, rationing of the civilian population of the country will be registered in school houses and elsewhere for this new type of rationing, in a manner similar to the nationwide registration for sugar rationing nearly a year ago.

At this registration, everyone who can show that he has war ration book No. one, the coupon sheet for sugar and coffee, will be entitled to receive war ration book No. two, which will be used both for canned goods beginning March 1 and will also be used about a month later for meat rationing.

Before getting the new ration book, however, each family will have to declare now many cans for family use on hand on Feb. 21.

From this number will be subtracted five cans for every person in the family, and coupons from the new ration book will be issued for the balance. However, five per person will exclude home-canned goods and certain types of non-rationed cans, such as canned olives or jelly, and all cans containing less than eight ounces (most small cans of baby food.)

MISS EDITH HARRIS WEDS MR. E. VAUGHN

Mr. and Mrs. Clyde Harris announce the marriage of their daughter, Edith, to Mr. Rene E. Vaughn, of Nashville, Tennessee, the ceremony having taken place January 2 in Elba. Minister J. C. Dixon performed the ceremony in the presence of a few relatives and close friends of the couple.

The bride wore a becoming dress of solid blue silk crepe with navy blue hat bag and other accessories.

The bride is a graduate of Elba High School and later attended Draughan Business College in Montgomery. She held a position with the War Department, Washington, D. C., prior to her marriage.

The groom is the son of Mr. and Mrs. H. H. Vaughn, of Nashville, Tenn. He is a graduate of Hume Fogg High School and was employed in that city before entering the Army Air Forces. He is now stationed at Gunter Field, near Montgomery.

Mr. and Mrs. Vaughn are at home at 1428 Highland Avenue in Montgomery.

Lamar Vaughn, who enlisted in the Navy some time ago, is now in San Diego, Calif., for training. Enroute to California he was snowed out of his assignment by oral days. In a letter to his parents, Mr. and Mrs. Lamar Vaughn, he stated that the snow was about waist deep. This was a new experience for him, as little or no snow has fallen in this section during his lifetime.

It is reported that W. H. Harris, who underwent a major operation in Edge hospital, Troy, more than a

Those enrolling in this class will be eligible for a Standard First Aid Certificate after they have satisfactorily completed twenty hours of study. The class will meet twice a week for two hours each night, thereby making the course last for a period of five weeks.

Anyone seventeen years of age and above may take the course. Take First Aid so that you may learn better how to prevent accidents and how to treat injured victims in the absence of a doctor.

Nell Moates, Home Economics Dept. MISS BOUTWELL AND MR. BUNDY WED—

Mr. and Mrs. Handy Boutwell announce the marriage of their daughter, Magdalene, to Mr. Talbert Bundy, son of Mr. and Mrs. R. Bundy, both of Perdue community. The marriage took place Saturday, January 30, at four-thirty o'clock. The bride's dress was a beautiful sky blue model with accessories to match. Her attendants were two sisters: Zeatress and Ella Fair Boutwell. Friends wish them a happy married life.

TWO JOIN NAVY

Charles Edward Forelines, of Kingston, and James Douglas Meeks, of Elba, were accepted for Naval service in Dothan last Thursday and have been assigned for their recruit training.

Mrs. Alma Windham last week received a message stating that her son, Frank Windham, in training at Naval Training Station at Norman, Okla., had been seriously injured in an accident at the station. Young Windham suffered a fractured skull when he was thrown from a fire truck and his condition has been critical. Edwin Windham left Friday to be at his brother's bedside, and a message received from him Tuesday stated that Frank was still quite ill, but showed some signs of improvement.

Mrs. Sam McCollough and sons, Donald and Robert Paul, have gone to join Staff Sergeant Sam McCollough in Fort Gibson, Okla., and will make their home there during his army assignment at Camp Gruber, Okla.

Grand Jury Returns Four Bills In Shortest Session On Record

In what is said to have been the shortest regular session of a Coffee County grand jury ever held, only four indictments were returned by the jury empaneled in Circuit Court here Monday morning. Twelve presentments were made, according to the report, and all four bills returned were for felonies. The body also had time to look over county property and inspect records in the various offices before adjournment in the afternoon.

J. O. English was foreman of the grand jury, and E. L. Harper was bailiff. Names of the jurors were not secured for publication in this issue. Solicitor J. A. Huey, of Enterprise assisted the jury in its investigations.

Judge Brammen, after empanelling the grand jury, called cases on the equity, appearance and non-jury dockets of the court.

OVER 1,500 SPEEDERS REPORTED TO OPA

Montgomery, Ala.—More than 1,500 speeders have been reported to the OPA, to be dealt with by their local rationing boards, since the OPA, on Sept. 1 requested the State Highway Patrol to supply a list of "rubber-scorchers." While no over-all report has been compiled on the denial of gas and tire rations as the result of these reports, it is known that local boards have taken drastic action in a healthy number of cases.

WELL BABY CONFERENCE

Announcement is made by Mrs. L. C. Etchison, County Health Nurse, that the February Well Baby Conference will be held in the Enterprise Health Office on the 9th, beginning at one o'clock p. m.

"SING UNTO THE LORD, O YE PEOPLE!"

By Ruth Taylor

The songs of a nation are symbolic of the spirit of a nation. We, as Americans, sing proudly of the "Star Spangled Banner," of "Columbia, the Gem of the Ocean," of "America, the Beautiful," and most reverently, of "My Country, 'Tis of Thee." All of them are stirring, heart touching songs that breathe of patriotism.

But one thing more is needed. We have learned in this war of travail and in this time of trouble, that not only are we not isolated from the rest of the world, but that we are all one people, no matter from what shores we have come, nor to what faith we owe allegiance. We have learned that being an American is not a mere accident of birth, but a state of mind, that to be truly American is to offer a devotion, religious in character, to the cause of democracy, to accept wholeheartedly the credo that all men are created equal.

Dr. Henry Harold Home, Professor of Religious Education at New York University, sensing the yearning for an expression of the brotherhood that is democracy, the faith that has brought about the United Nations, has written a new verse for "America"—one which does not detract from pride of country, but which gives it further, broader meaning:

"Father of Every Race,
Giver of Every Grace,
Hear us pray
Let every land be free,
May all men brothers be,
All nations honor Thee,
Now and for aye."

Dr. Spencer Miller Jr., State Highway Commissioner of New Jersey, and long a leader in brotherhood, has made a suggestion to the school board of his state, which should be made by each and every school in our own communities—namely that this verse be added to "America" and be sung as the final stanza on all occasions.

Join in singing this new song in your own community. Make this verse your theme song of faith in victory, not merely of the war but of the peace to come, when the spirit of brotherhood shall find practical application in the lives of all mankind.

This is the creed of America. It is this for which our fathers fought, for which we today are fighting—freedom, not for ourselves alone, but for all the peoples of all the earth. By virtue of our laws and our traditions, our hands are clasped in fellowship with all those who believe in the fatherhood of God and the brotherhood of man. Let us sing of this proudly, and acclaim to the world what we all believe and by what we live!

LIBERTY NEWS

Jan. 28, 1943.

Dear Editor: How is every one this New Year? We see this new year is moving off fast—the first month is nearly gone.

Well, as Mrs. Boland and I have been visiting, did not think we could stay off so long, but we are back. Mrs. Boland is not feeling so well but her cold is some better.

Our trip was a surprise to us. John ran down from Gainesville, Ga., and said he had come after us and for us to get ready. So we just laid down the shovel and hoe and left. We went by way of Columbus, Ga. We left home Dec. 23 and got to Gainesville on the 24th. The weather was fine but we had cold weather on the 7th of January. We had rain and a freeze. On Jan. 4th John and I went up on the mountains. It was cold—just plenty of ice, and they had snow on the mountains later on. It was pretty—streams of water running down the mountains and freezing—looked like silver threads.

We drove out to one of the new dams which was fifty feet high. They have water backed up for miles. They are building power plants.

This war is slowing down the road work. On the 8th of January we started back toward home, getting to Atlanta, where we spent one week with Orgia and Flossie. We had a nice time. Mrs. Boland has two sisters there one brother, Mr. S. D. Skinner, and several other relatives. It is a sight to see the soldiers. They are almost without number. It looks like we might whip the entire world and we may have to do it.

On the 15th we set out for Columbus, Ga.—found out one o. a. lot of friends from Coffee County. We did not know so many had moved off. We had a nice time in Columbus. My people mostly live there. That is home, and there is no place like home. We went down in Marion County to visit our niece, Bonnie Boland.

Fort Benning has taken in all of Chattanooga, Cheate County, having people move out of their homes, paying out very little for them. There has been lots of moving and every one is quite busy trying to make their crop. do not see how they expect so much of us, as they have called most of the best help off the farms. Lots of this hired labor will not be worth much and not much to hire.

We see a good many letters from the boys overseas. One tells Mother how they have to crawl like foxes in their dens and through jungles, but he knows she is doing her best to help him and will sing and pray for him, and he is willing to do his bit.

Mrs. J. M. Stokes visited our home yesterday. We read a letter from her brother, J. C. Nelson. It sure was a fine letter. They are so glad to get letters from home.

I must close. Best wishes to all. Don't forget the old.

H. I. Boland.

PVT KELLEY WRITES FROM CAMP WHITE

Camp White, Oregon, January 20, 1943.

Dear Editor: I wish to write a little to be published in the paper. Elba is my home town. I don't have time to write to all my friends and relatives a letter, so will you please word this and publish it in the way it belongs to be. Dear Friends in and around Elba:

I guess you all will be surprised to hear from me, but all the same, I still think of you all down there. I am quite a piece from home. I will try to tell you where I have been and where I am now. Those of us who left home during the first of November, 1942, were sent to Fort McClellan, Ala., where we took our basic training, which was six weeks of infantry training. Then we were transferred to Camp White, Oregon, where I have been transferred to the artillery, and some of the other boys were also.

The boys around this camp, especially the battery, I'm in, are fine boys and I like this place fine. We have been having a little snow, which makes it a little different from home. It is a sight to see the soldiers. They are almost without number. It looks like we might whip the entire world and we may have to do it.

On the 15th we set out for Columbus, Ga.—found out one o. a. lot of friends from Coffee County. We did not know so many had moved off. We had a nice time in Columbus. My people mostly live there.
